Safety Awareness Training
Family Fun Day/Fall Festival 2004

Safety Tips for “Family Fun Day/Fall Festival”

- **Call 911 in case of an emergency**
 - Look for committee members with hand held radios to contact security/safety personnel
- **Notify Industrial Safety Dept. employee(s) of ANY incident that occurs during the picnic**
 - First-aid treatment to more severe
 - Security, Safety, and HEMSI personnel check-in at conclusion of picnic; compare notes of incidents that occurred.
- **First aid available in picnic area**
 - HEMSI Support
 - Blood borne Pathogens – Contact appropriate custodial personnel (CMT) for cleanup.

Safety Tips for “Family Fun Day/Fall Festival”

- **Severe Weather**
 - Be prepared to help visitors evacuate to protective areas
- **Avoid Heat Stress**
 - Water available throughout picnic area
 - Look for coolers on wooden pedestals
- **Use authorized transportation only**
 - No personnel riding in the back of vehicles unless seat belts are provided.

Safety Tips for “Family Fun Day/Fall Festival”

- **Lifting**
 - Use proper lifting techniques
 - Request assistance when lifting heavy items, or if it’s a questionable lift
- **Watch your step!**
 - Many uneven surfaces throughout picnic area
 - Slips, trips, & falls is the #1 cause of lost-time injuries at MSFC
- **All volunteer personnel are aware of the information in safety awareness training.**
